### Educational Qualifications

Examination	College, University	Year	%	Class
B.E. (I. T.)	Cummins COEW, Savitribai Phule Pune University	2016	58.6	Higher Second
Diploma (I. T.)	Bharti Vidyapeeth Jawaharlal Nehru Institute of Technology	2013	72.63	First Class
S. S. C.	Vidya Niketan School	2010	56.40	Higher Second

### Summary

- Good hands-on skills in C, C++ programming, Java
- Good understanding of Data Structures, Operating System
- Published paper “Study of Emotion Detection In Tunes Using Machine Learning”

### Technical Skills

Operating Systems : Linux, Win XP, 7, 8  
Programming : C, C++, Java  
Languages  
Scripting Languages : Html, JavaScript  
R.D.B.M.S. : MS Access, Oracle 7.3  
Application Tools : Visual Basic 6.0

### Hobbies:

- Sketching
- Driving
- Travelling
- Cooking

### **Educational Projects Done:**

Project	:	01
Title	:	Exam Scheduling System
Description	:	<ol style="list-style-type: none"><li>1. User is able to create exam schedule with less conflicts.</li><li>2. Information of the faculty members, students, branches, subjects is maintain.</li><li>3. The system is a replacement of the traditional manual way used to create exam tables.</li></ol>

Project	:	02
Title	:	Automatic Emotion Detection In Musical Clips
Description	:	<ol style="list-style-type: none"><li>1. Audio Feature Extraction is performed based on which musical clips are classified in four categories of emotion that are Sad, Happy, Peppy and Clam.</li><li>2. Use of Machine Learning Algorithm for classification of Musical clips.</li><li>3. User is able to perform classification of tunes into the four categories of emotion.</li></ol>
